DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Peter Zura (Reg. No. 48,196) on May 24, 2006.

3. The application has been amended as follows:

Claim 1. (Amended): A method for transmitting voice information through a mobile radio network, the method comprising the steps of:

converting the voice information, dependent on an event, in the mobile radio network into a transcoded format;

processing the voice information to incorporate said event into voice information data:

converting the voice information into a non-transcoded format; and

transmitting the voice information in the non-transcoded format.

Allowable Subject Matter

4. Claims 1-11 are allowed.
5. The following is an examiner's statement of reasons for allowance: The invention as now claimed is not disclosed nor rendered obvious in view of the prior art of record. As to independent claims 1, 8, and 11, the prior art of record fails to teach or suggest, alone or in combination, the recited method and apparatus, in which voice information, within a mobile radio network, is converted, dependent upon an event, into a transcoded format, and then after processing of the voice information, transmitting the voice information in non-transcoded format. No prior art was found that discloses or teaches the limitations of claims 1, 8, and 11.
6. Claims 2-7 and 9-10 are dependent upon claims 1 and 8, respectively, therefore, claims 2-7 and 9-10 are allowed.
7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
